

EGPCP 2021 ACHIEVEMENTS

Provide leadership and support to the **HEAL partnership** and the development of the **HEAL 2019/20 Report, HEAL 2021-25 Strategic Statement & HEAL 2020/21 Plan**

HEAL Eat to Play project is under development. The aim is to develop a social marketing campaign through a codesign process with teenagers, targeting teenagers.

Hosted 2 EGPCP Partnership Forums:

>30 partners attended an online forum focused on **Measuring Collaboration and Partnerships in East Gippsland** via a SNA & >20 partners attended an event using "Appreciative Inquiry" to take a deep dive into **Prioritising Primary Prevention in East Gippsland**

Contributed to the development of the **East Gippsland Municipal Public Health and Wellbeing Plan Framework 2021-2025** and development of the **MPHWP Implementation Plans**

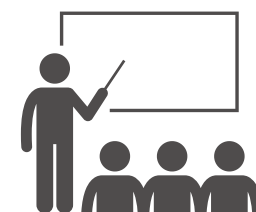

Developed a **EGPCP Promotional Video** outlining who we are, our partners and what we do, available via our website

24

Facilitated Network Meetings

(inc. HEAL, DAPA, MWBN, Governance Group)

DAPA developed and implemented a **Community Action Plan (CAP)** to sustain long term implementation and delivery of mental health first aid training (**secured \$35K of funding** to support the CAP). This included **training 14 local staff** representative on Teen Mental Health First Aid in Wellington & EGSC.

Facilitated delivery of **training to the Drug and Alcohol Prevention Alliance (DAPA)** to build capacity as a community board for CTC East Gippsland

DAPA commissioned a report from Communities That Care LTD to capture the **CTC journey in East Gippsland 2015-2020**

Mental Wellbeing Network (MWBN)

becomes a formal **network with defined priority** areas.

A **change framework** was developed with **measures & actions** against priority areas Secured **\$40k funding** through Unting, EGSC and EGPCP to implement **'Hearing the voices of children and young people'** project

370

Av. subscribers to Echo,

our newsletter, with 24 editions distributed
