

Welcome to the 4th ***Outer Northern Refugee Health Network Data Bulletin***

The Outer Northern Refugee Health Network (ONRHN) is very pleased to provide you with the following key data sets to assist all refugee and asylum seeker providers (specialist and mainstream) in meeting current and emergent client needs across the catchment. The preparation of the *Data Bulletin* is a joint initiative with all members of the ONRHN and will be updated and published every quarter.

Please be informed that the data contained in the Bulletin has been prepared to ensure that details do not identify individuals and that the information has been prepared in accordance with the relevant privacy and confidentiality requirements.

We welcome your feedback regarding the accuracy of the details in the Bulletin and the future inclusion of any other data sets that you would find useful.

Please contact the Hume Whittlesea Primary Care Partnership for comments, additional data set suggestions or if you would like to register your contact details so you can continue to receive the *Data Bulletin* - Mohammadk@hwpcp.org.au

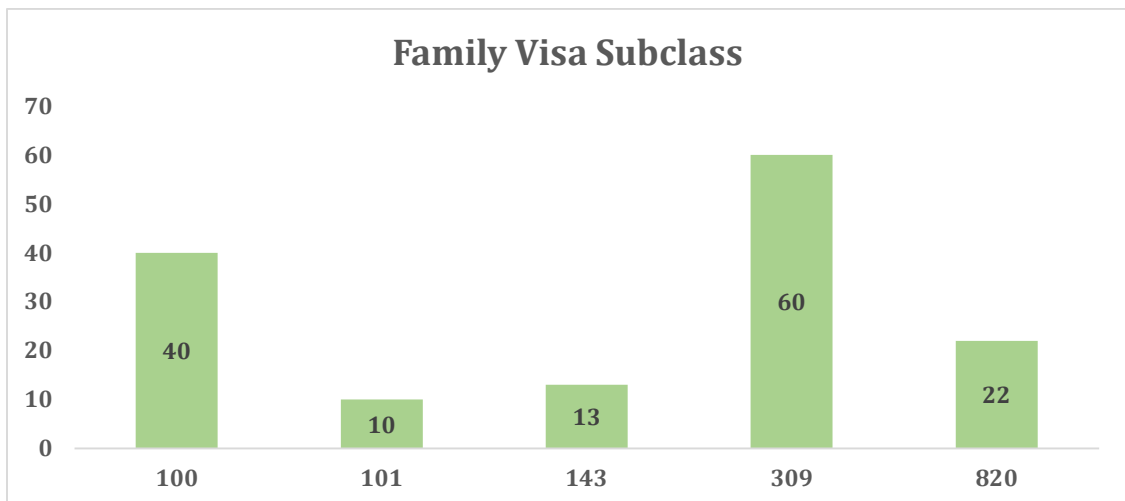

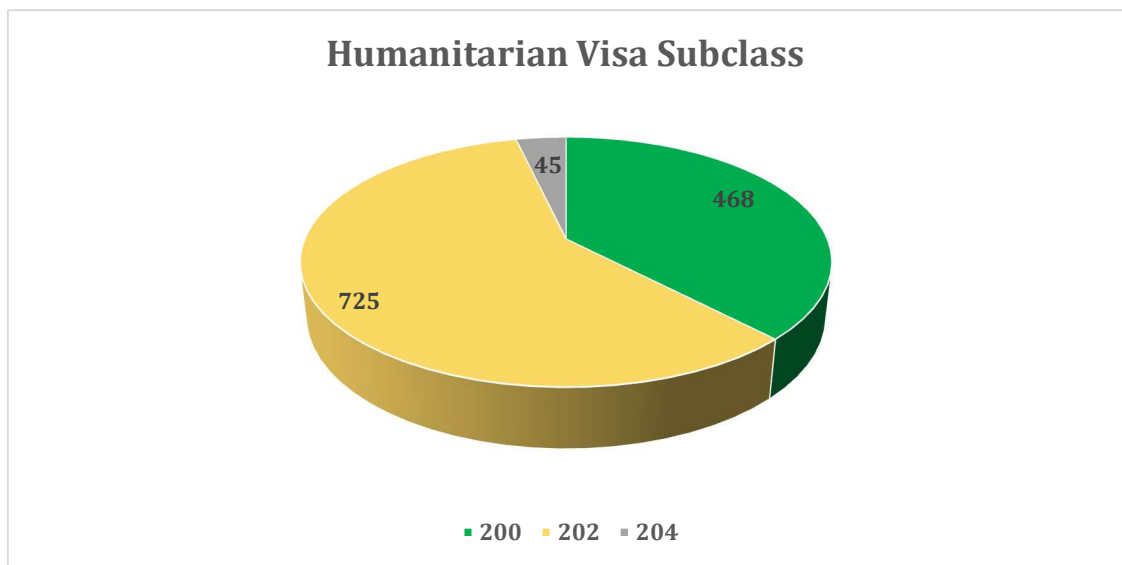

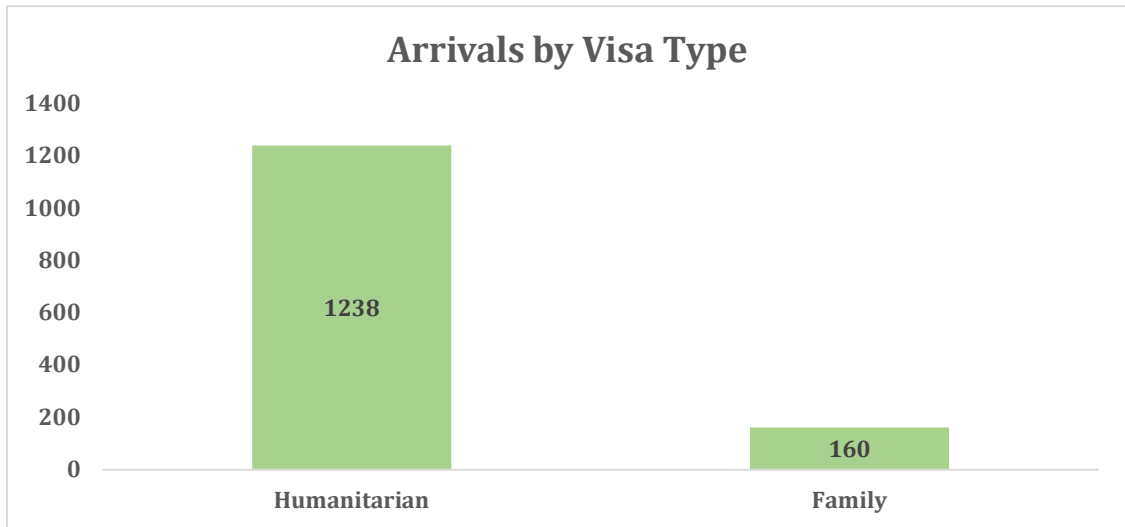

Note:

This data bulletin focusses on refugee arrivals on migration streams- Humanitarian and Family in different variable of interest. The settlers in this data bulletin arrived between 01/01/2019 and 31/10/2019 and residing in the Hume and Whittlesea local government areas.

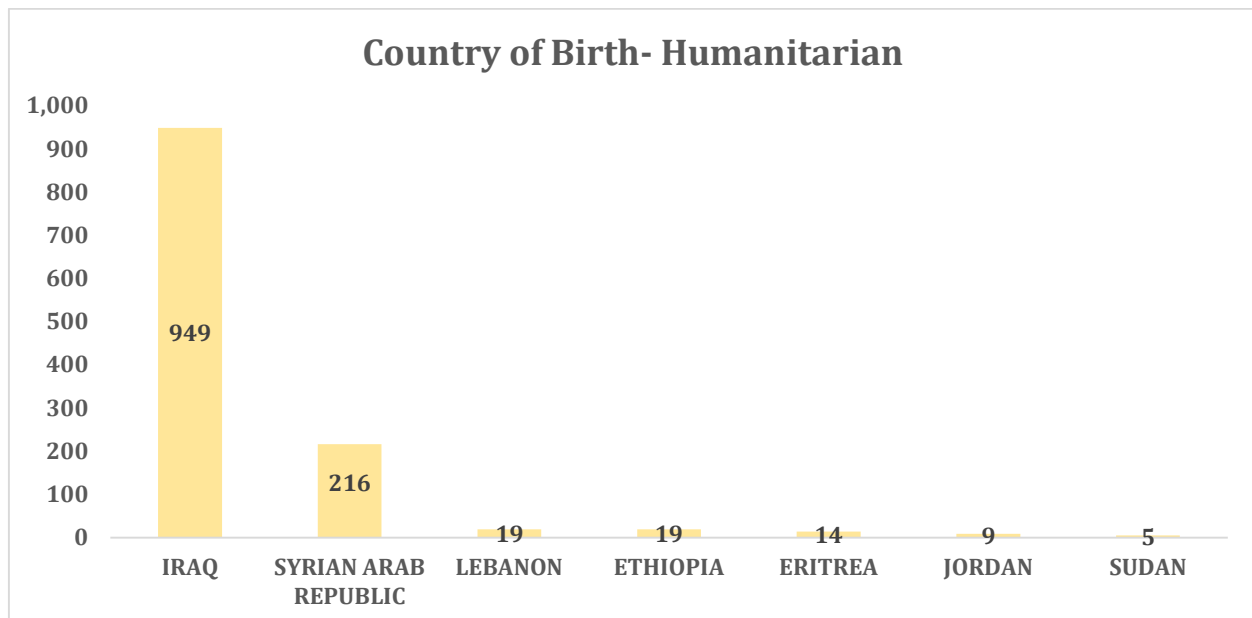

Disclaimer:

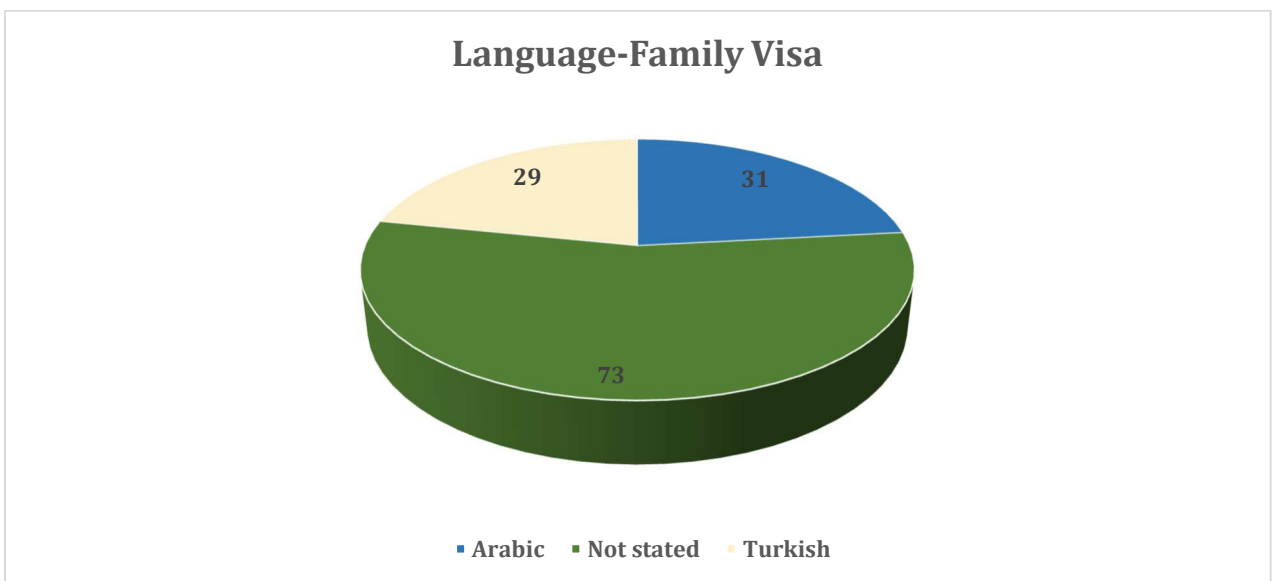

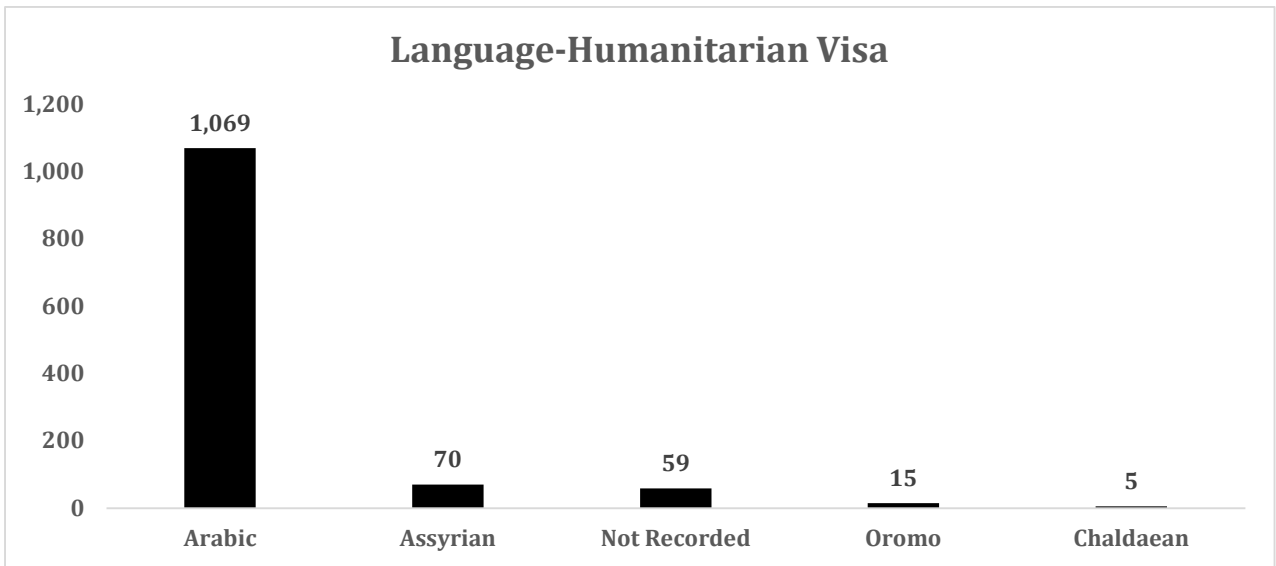

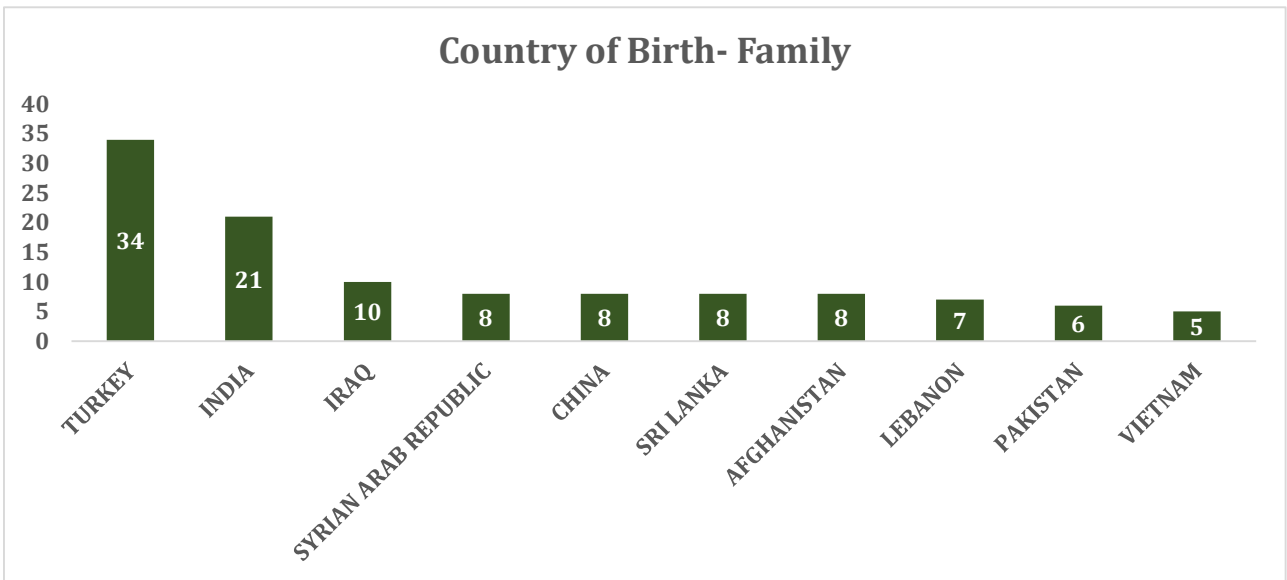

Hume Whittlesea Primary Care Partnership disclaims to the extent permissible by law and any liability for any loss or damage however caused, arising from the use of the data provided. It is everyone's responsibility to determine the appropriateness of any data and ensure individual needs and specific circumstances are considered.
