

## Accountability

**DHHS (Funder) – Individual Primary Care Partnership (Service Provider)**  
**Formal Reporting & Responsibility Pathway**

Department of Health and Human Services (DHHS)

*Central Office*

1. Program Guidelines – PCP Program Logic 2013-17 (extended to 2018); PCP future Directions beyond this timeframe being developed
2. Reporting Guidelines
3. DHHS Representation at Leadership Executive and PCP Forums

Department of Health and Human Services (DHHS)

*Divisional Office*

1. Individual PCP Funding & Service Agreement (FASA); Performance and Compliance monitoring
2. Divisional DHHS Contact (Operational)
3. Divisional DHHS Representation (Strategic)

*\*VicPCPs – is a voluntary partnership between the 28 PCPs across the state.*

*The VicPCPs Leadership Executive has governance responsibility for VicPCPs activity, however Individual Primary Care Partnerships have their own governance processes and structure.*

*Purpose - VicPCPs exists to support and promote the Primary Care Partnership platform and the broader use of partnerships to achieve improvements in population health and wellbeing.*

**Document Purpose** - This document has been developed to support orientation to the PCP platform for new staff; new governance and Leadership Executive group members; new members and stakeholders; new state-wide network members; and DHHS.

### Individual Primary Care Partnerships - Executive Governance Group

**Area Accountability:** PCP Catchment (1 – 5 LGAs) – PCP staff employed on behalf of the partnership by nominated lead agency/auspice; Executive Officer (EO) responsible for staff on behalf of the employer and accountable to PCP governance group.

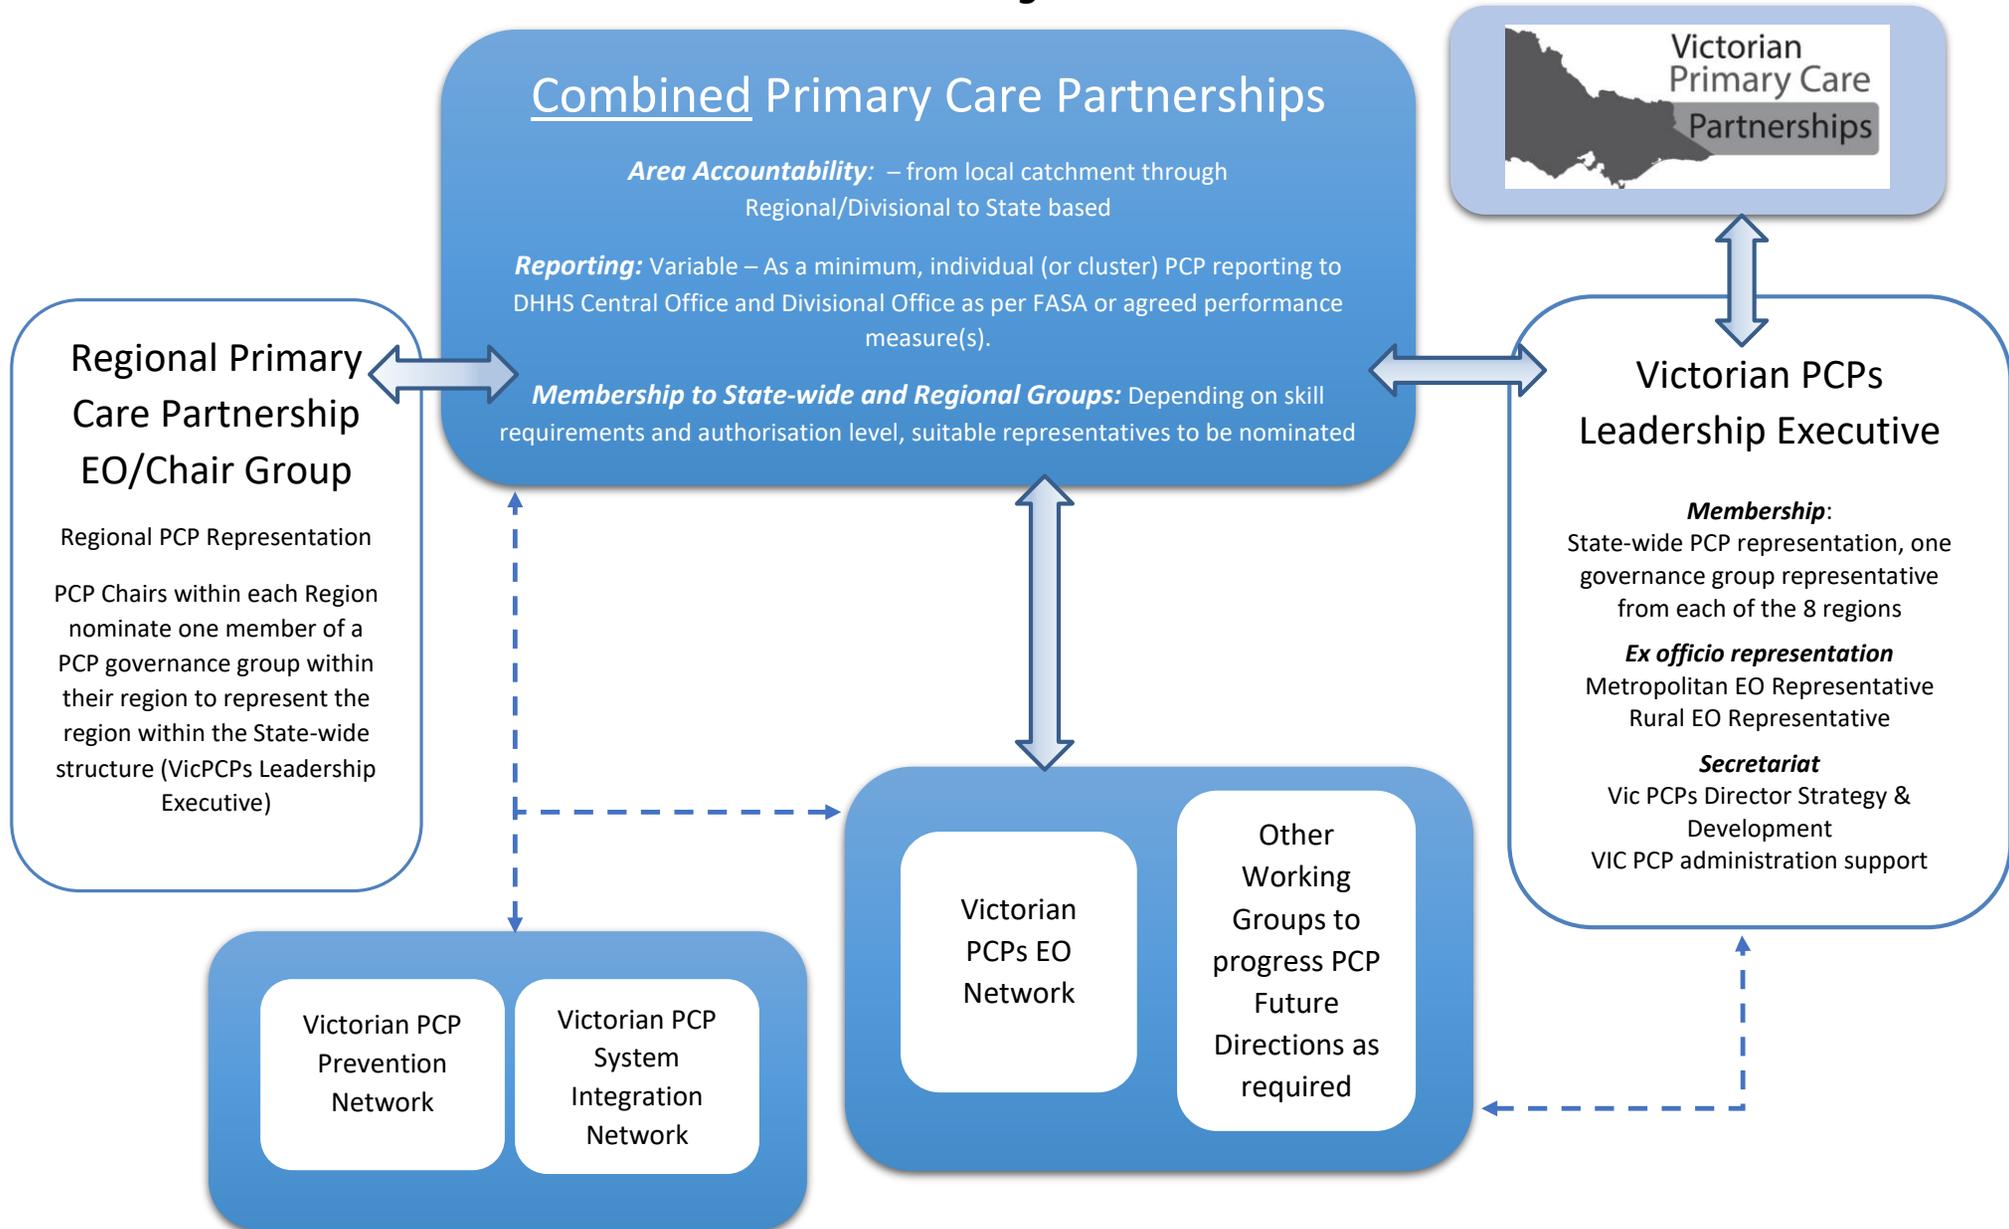

**Formal Reporting:** Governance group with the guidance of EO reports to DHHS Central Office and Divisional office as per FASA.

**Membership:** Generally 2 tiers of PCP membership; First level are often signatories to the FASA, which is a consortium based agreement, these include local health, social service and not for profit agencies, often these agencies form the PCP governance group; second tier of membership includes agencies who are voluntary partners to place based initiatives with the aim of improving the health and wellbeing of the community within the catchment.

**State-wide Membership:** Financial Contribution to \*VicPCPs
