

GROW TOGETHER

Get ready to grow your very own vegetables!

This kit contains everything
you need to start.

Green Beans

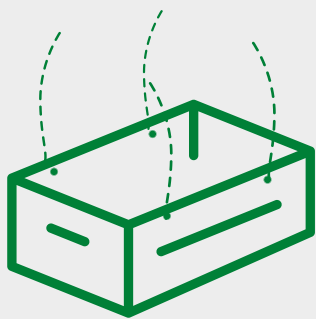

Cucumber

Lettuce

Your kit includes:

Bag & String

Potting Mix

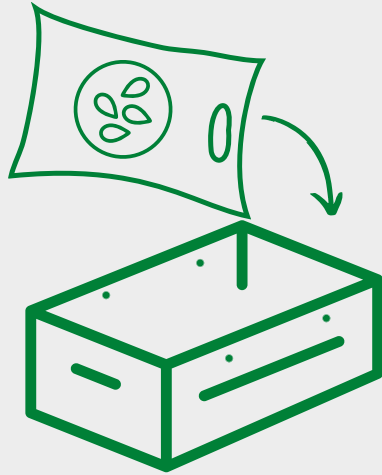

Seasol

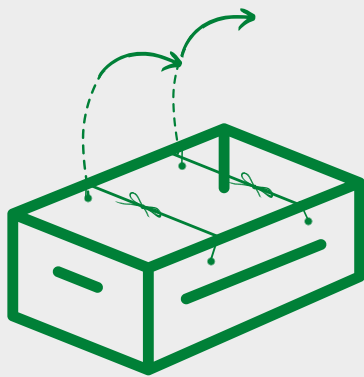

Seedlings

Instructions

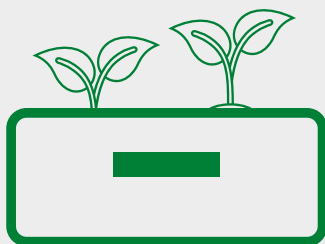

Open the bag of potting mix and pour this into the bag

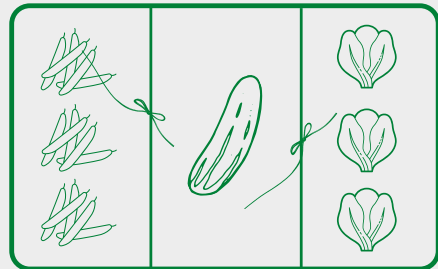

Take the two pieces of string and tie them through the eyelets to pull the sides of the bag in

Take your seedlings out of their containers

Plant the seedlings in the potting mix in the bag

Plant the Cucumbers in the **middle** of the bag

Plant the Beans at one **end**

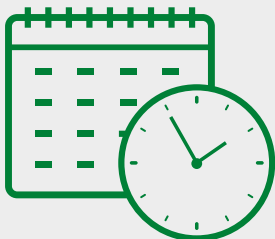

Plant the Lettuce at the other **end**

Mix 10ml of Seasol Powerfeed with 3 litres of water

Use this mixture to water the seedlings

Water your seedlings every day for 3 weeks. After 3 weeks you can water every second day.

Use Seasol Powerfeed with water every 2 weeks
